

RIZAL ZAKY FIRMANSYAH

JUNIOR NETWORK ENGINEER

Yogyakarta, Indonesia • rizalzaky2302@gmail.com • +62 821-3596-6711 • www.linkedin.com/in/rizalzaky23

SUMMARY

Cloud Computing Enthusiast with foundational experience in AWS and a strong passion for scalable cloud infrastructure. Demonstrated excellence by achieving 2nd place in the Cloud Computing division of the Lomba Kompetensi Siswa at the district level. Certified in AWS Academy Graduate – Cloud Foundations, with additional hands-on exposure to core AWS services including EC2, S3, IAM, and CloudWatch. Beyond cloud, equipped with solid networking and infrastructure knowledge through an internship at Mikrotik Indonesia and multiple industry-recognized certifications, including Mikrotik Certified Network Associate, Mikrotik Certified Routing Engineer, and Ruijie Certified Network Associate. Committed to continuous learning and contributing to high-performance cloud and network environments.

EXPERIENCE

PT. CITRAWEB SOLUSI TEKNOLOGI

June 2024 - December 2024

- Managed Ubuntu and Debian servers, ensuring stable performance, secure configuration, and efficient system administration.
 - Configured network infrastructure including routing, firewall rules, and bandwidth management (queue) to support reliable and optimized operations.
-

ACHIEVEMENT

2nd place in district level cloud computing

June 2024 - December 2024

- Designed and configured AWS VPC architectures, including subnets, route tables, internet gateways, and security groups to ensure secure and scalable cloud environments.
 - Deployed and managed AWS EC2 instances as application servers, configured RDS for database management, and utilized S3 buckets for storage and static content hosting.
 - Implemented load balancing and auto scaling configurations to improve application availability, optimize performance, and maintain system reliability under varying workloads.
-

EDUCATION

Universitas Pembangunan Nasional “Veteran” Yogyakarta

Sep 2019 - Oct 2020

Undergraduate information systems students

SMK N 2 Klaten

Aug 2015 - Aug 2019

Vocational High School; Major in Informatics Systems Engineering, Applications, and Networking

SKILLS & LICESENCES

- AWS (EC2, VPC, RDS, S3, IAM, CloudWatch), basic application deployment, security group configuration, and fundamental resource management.
 - Network Management
 - Certification : AWS Academy Graduate - Cloud Foundations
 - Certification : Mikrotik Certified Routing Engineer (MTCRE)
 - Certification : Mikrotik Certified Network Associate (MTCNA)
 - Certification : Cloud Practitioner Essentials (Belajar Dasar AWS Cloud)
-

LANGUAGES

- Bahasa Indonesia - Native Proficiency
-
